As a result of a claim for unemployment benefits filed by [redacted] above, and based upon a field and wage investigation, this office received a request for a determination as to whether an employer-employee relationship covered by Georgia's Employment Security Law existed between The [redacted] Inc. and [redacted].

Para. (j)(1)(A)(B) Official Code of Georgia Annotated [O.C.G.A.] Section 34-8-35 excludes from the definition of "employment": "service performed in the employ of a church or convention or association of churches" or An organization which operated primarily for religious purposes and which is operated, supervised, controlled or principally supported by a church or convention or association of churches.

Document copies submitted by Field Tax Auditor Beverly W. Burnette and [redacted] (Vice President of Finance) of The [redacted] Conference Inc, show's that this "Home" is a part of the [redacted] Church .The "Home" is considered to be a "mission" of the church. Consequently all services performed by the claimant and other staff of The [redacted] Inc. are not subject to coverage under the Georgia Employment Security Law, in accordance with Para.(j)(1)(A)(B) O. C. G. A. Section 34-8-35.

[REDACTED]

Therefore it is determined that the services performed for [REDACTED] are exempt from coverage under the Employment Security Law. The wages paid by this employer cannot be used to establish a claim for benefits. This determination relates to the services of the claimant, [REDACTED], and also applies to all other individuals performing services for [REDACTED].

This determination on coverage becomes final unless an appeal, in writing, setting forth grounds for appeal is filed with this office and postmarked within fifteen (15) days from the date of this letter.

Sincerely,
