

Dear Partner,

The Georgia College Access Challenge Grant is sponsoring a conference in February 2014 entitled "College Access and Success for Disconnected Youth." We need your help in identifying potential attendees and presenters who would eventually become part of a robust statewide network of partners supporting these youth. Please complete the attached survey or complete the survey at this site (<http://collegeaccessfordisconnectedyouthconference.questionpro.com>) to share any information you have available on individuals or organizations that support Disconnected Youth and their families to include but not limited to:

1. Foster Care Youth
2. Homeless Youth (Accompanied & Unaccompanied)
3. Juvenile Offenders and children of Incarcerated Parents
4. Migrants, Refugee & Immigrant Youth
5. At-Risk African American and Latino Males
6. Teen Parents

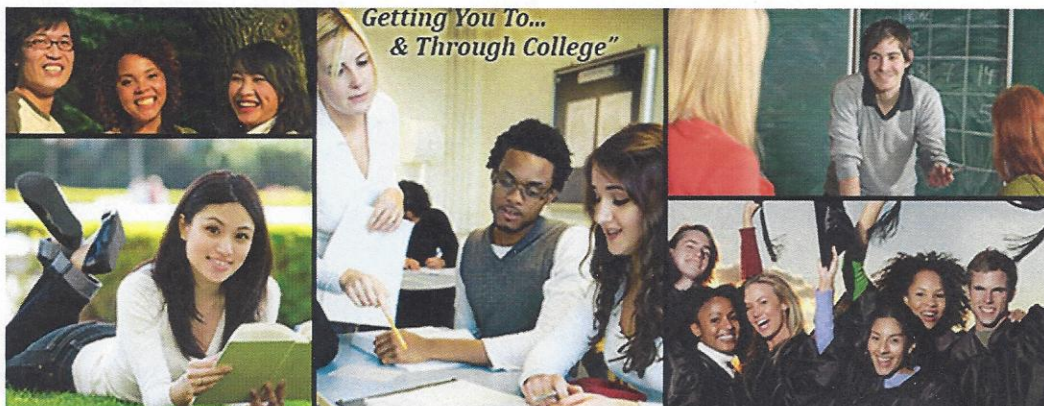

Please share the following information with any national and statewide individuals and/or organization that fall into the following categories:

1. Community Organizations and Advocates
2. K-12 Educators, local and state system leads focusing on this population
3. Foundations funding or potentially funding this population
4. Researchers of this population
5. Government Agencies & Officials
6. Higher Ed professionals focusing on this population
7. Businesses/Chambers with initiatives supporting this population

Thank you so much for your time and effort in providing this information. No one organization can do this work alone. We must all work together to reconnect our youth and families to the information, resources and services they lack access to due to their life situations. Through a network of informed advocates, providers, researchers and funders, we can prevent new disconnections, support students on their path to a successful adulthood, build strong and vibrant communities and continue to strengthen our economy. If you have any questions or concerns, please don't hesitate to contact me at dawn.cooper@usg.edu or 404-962-3123. You may also visit our website for more information on our programs at www.cacg-georgia.org.

Sincerely,

Dawn Cooper, Director of College Readiness
University System of Georgia
